# NEWSLETTER

AUGUST 2007

Dear Parents and Students,

We have just returned from attending two great training programs in Provo. Alan was at BYU and Diane attended an excellent Montessori Teacher Training Course. We are excited to share all we have learned with you.

All the information you need for Fall Semester is enclosed or on the website. Please look over the information so you will be aware of the schedules and deadlines.

We are looking forward to seeing you all soon!

Alan & Diane

### Scholarships

Remember, we have scholarships available for new students, and we are offering \$250 discounts for current students who refer new students. Simply pass along this information to those you know who would be interested or refer them to our website.

### Montessori Class

New for this fall will be a one day per week class for children ages 4 to 11 that meets from 9AM to noon on Wednesdays. The Montessori Method is an orderly and nurturing approach to helping students flourish and excel. The class will include history, geography, botany, and art. The charge for the class will be \$225 for students registered by August 30<sup>th</sup>. The class will be team-taught by Diane Fluckiger and Kate Hubbard, a certified Montessori instructor.

### Meeting Dates:

New Parent Orientation: Thursday August 30, 7PM

First Parent Meeting: Thursday August 30, 8PM

Faculty Meeting: Tuesday September 4, 8PM

### Events and Deadlines:

August 30 Class Registration Form Deadline

September 3-8 Fall clean up days

September 11 First Day of Fall Semester Classes

September 11 First Day of AHA Seminary 7-8:05AM

### Class Schedule Registration & Tuition

Enclosed with this letter is a copy of the Fall Semester Class Schedule. For detailed descriptions of the classes refer to the course catalog on the Academy website ([ahaidaho.org](http://ahaidaho.org)). Please complete a **class registration** and submit it **by August 30<sup>th</sup>**. This give teachers a chance to prepare for your student.

### On-line Classes

Alan has been busy this past summer working on an Internet based platform for delivering classes to students in their homes. Our math class this fall will use this technology in reverse, with the teacher, Mike Lord, teaching from Utah. Brother Lord is an experienced instructor with a background in chemical engineering. In addition to math we will be offering Civics, Private Writing, History, language arts and biology. Come to parent meeting to see a demonstration!

**See You in September!**
